EARLY CHILDHOOD ACADEMY PUBLIC CHARTER SCHOOL

885 BARNARD STREET, SE WASHINGTON, DC 20032 P 202-373-0035

March 9, 2020

Dear ECA Family:

Now that the coronavirus is in the District of Columbia, we know that there is increasing concern regarding its potential spread. Please be assured that Early Childhood Academy PCS is in daily contact with the DC Public Charter School Board, the DC Deputy Mayor's Office, and DC Health for updates on safety measures recommended by global, federal, and state organizations to keep our students and community safe.

Our daytime and evening custodial staff regularly disinfect our site to prevent illness. Touch points in our facility are being cleaned during the day and again each evening with a disinfectant that is 99.9% effective against viruses and bacteria.

We need your help and cooperation as we strive to protect our students and your family against respiratory viruses. Please remind your children/students to:

- Frequently wash their hands with soap and water;
- Avoid touching their faces, eyes, nose, and mouth;
- Cover mouth and nose while coughing or sneezing, using a tissue or the crook of the elbow.

Parents, please keep your child home if he/she is experiencing a fever. We will not permit any child with a fever to remain at school.

I am providing important website links for your convenience. As we receive updates from the state, we will immediately pass this information on to you. Feel free to contact Mr. Ingraham, principal, or me with any questions or concerns.
