

St. Theresa School **Birthday Book Club**

The *STS Birthday Book Club* is for students from Preschool - 8th grade. Its purpose is to continue building our current collection of library books for our students. Enroll today, and join the many students who have celebrated their birthday with books!

As a member of the *Birthday Book Club*, your child will:

- Have his/her name displayed on a personalized bookplate of the book that is chosen
- Have his/her picture displayed on the *Birthday Book Club* bulletin board
- Receive a *Birthday Book Club* bookmark
- Be the first to check out the book

During your child's birthday month, a book will be delivered to his/her classroom. Summer birthdays will be celebrated (on half birthdays) in December, January and February. The book will be personalized with his/her name, and they will have the opportunity to check the book out first. When the book is returned, it will be added to our permanent collection. From then on, every child that reads the book will know the great support you have given our school library. This program is a way to celebrate each other and promote the lifelong love of reading!

Should you have a book suggestion or recommendation of genres/subjects that your child may have an interest in, please note that below.

Please complete the form below with a check for \$20.00 made out to St. Theresa School and return it by Meet the Teacher Day or through your child's backpack to the attention of Jessica Banakis, Library. We would love for you to join the many families who have helped our school library grow.
