August 21, 2019

Linden High School families,

Monday, August 26, 2019 kicks off our school year with 9-12 grade student orientation. Are you ready? All 9th graders will attend from 7:35 am until approximately 1:00 pm. All 10th-12th graders will attend **ANYTIME** between 4:00 pm and 7:00 pm. This event is an absolute must to ensure that students are able to hit the ground running on our first day of classes September 3, 2019.

Below are some items that will assist in making the orientation process more efficient:

- 1. Have you activated your ParentVue and StudentVue accounts?**
- 2. Have you completed the 5 electronic signatures for all required orientation forms?**
3. Have you updated your Student Profile Form that was mailed home earlier this month?
4. If applicable, have you completed the Free and Reduced Lunch application that was mailed earlier this month?
5. Have you turned in, or remitted payment for lost or damaged school issued items?

Additionally, these suggestions will also assist in making the orientation process more efficient:

1. Bring money to place on student lunch accounts.
2. Bring completed Linden High School student vehicle registration form, driver's license, proof of insurance, vehicle registration, and the \$25.00 fee to purchase a 2019-2020 student driving pass.
3. Pictures will be taken. Dress accordingly.
4. 2019-2020 school yearbooks will be available for purchase

Best Regards,

Darin Dreasky  
Principal
