Donations to this project are now being matched, thanks to support from DICK'S Sporting Goods.

Youth sports are in trouble - billions in funding have been cut from school sports programs in recent years, and 27% of U.S. public high schools could be without sports by 2020.

That's why The DICK'S Sporting Goods Foundation is matching up to \$1.5 million in donations to public school sports teams in communities across the country.

To learn more, please visit our website at www.SportsMatter.org.

Dick's Sporting Goods is graciously matching any donation made to this project! 😊
