*Parents, it is strongly encouraged that you make an extra effort to see that your child is present and on time for testing. A student is considered tardy if they enter the building after 8:00.*

We cannot disrupt testing after it has started. If a student arrives to school after testing has started, he/she will not be allowed to enter the testing environment and will have to make-up that section on a make-up day. Additionally, make sure that your child gets a good night's rest and eats a healthy breakfast. Remember, ALL Bartow County Schools serve FREE breakfast every day!! Breakfast is served between 7:20-7:50 a.m.

#### \*\*\*PARENT RESOURCES\*\*\*

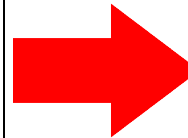

The Title 1 Parent Resource Center is located in the front office conference room and open during normal school hours. It is filled with several math and reading games to help your child at home! Please check out these resources through the library.

A Great Big Thank you to the PTO and Jessica Fowler for collecting and organizing the Tyson Food Labels and the Labels for Education. Thanks to their efforts we received 17,034 Labels for Education Points and \$59.52 from the Tyson Food Labels. Also, the Box Tops Program brought us \$913.30 from our recent collection drive from August through September. A great big thank you to all of our students and staff that participated. Mrs. Mauldin's third grade homeroom class won the ice cream sundae party for the most collected. We will have another Box Top Collection drive in January.
