Ocean Springs School District
Restart Plan
2020-2021

OSSD will return for the 2020-21 school year on a Traditional Schedule with Enhanced Health and Safety Protocols

July 15, 2020
Staff Correspondence
July 15, 2020

Dear Greyhounds,

On July 14, 2020, the Ocean Springs School District Board of Trustees approved the OSSD Restart Plan for the 2020-21 school year. We are keenly aware that this year will have many challenges, but we are also confident that together, our team will meet these challenges with resilience and ingenuity.

Our administration has worked diligently to address the OSSD Board of Trustees’ established priority of reopening our schools, which proposed a traditional daily schedule with enhanced safety protocols for the protection of our students, staff, and community. We remain committed to providing exemplary instruction, either virtually or in person. We know this is your expectation, our charge, and the OS way!

We considered many variables in our Restart Plan: the populations of our campuses, the demographics of our staff, and the results of our district survey that nearly 3,000 Greyhounds completed. Our OSSD Medical Advisory Council collaborated with our administration to apply the Centers for Disease Control Guidelines and MS Department of Health recommendations to our enhanced health and safety protocols. We are indeed fortunate to have a medical community that is committed to our school district. Our community will see further evidence of this commitment in the new services that Singing River Hospital System has developed specifically for OSSD employees.

We appreciate the patience that you have demonstrated since our school buildings closed in March. While none of this has been easy, our staff has remained steadfast in taking care of our students. We need that same commitment and patience as we move forward with safely opening our schools.

Please read the approved plan, which can be found at the end of this document. Should you have any questions or concerns, know that your administration is available to respond to your concerns.

We have decided that our theme for the upcoming school year will be #OSRESILIENT! This year resilience must be our defining characteristic. Please take care of yourself and your families and we look forward to seeing you on August 3, 2020.

In Greyhound Spirit,

Joe Cloyd, President                      Bonita Coleman, PhD
OSSD Board of Trustees                     Superintendent of Schools
OSSD School Schedules for 2020-2021

- All staff will return on August 3, 2020, and receive professional development.
- Students will return to schools on August 5, 2020, with enhanced health and safety protocols.
- *This plan represents the need to modify school operational protocols for the protection of students, staff, and our community.* OSSD administration, in consultation with our Medical Advisory Council, presented this plan for approval to the OSSD Board of Trustees on July 14, 2020. This plan provides for contact tracing by keeping class/group populations static and provides for extensive sanitation and health procedures.
- OSSD Greyhound Virtual Academy (application required) will provide instruction to those students who are not able to return in August due to documented medical needs or immunity-related concerns.

*The school calendar remains unchanged at this time with regards to scheduled holidays breaks, start and finish dates.*

Please note that these plans are subject to change based on the MS Department of Health and/or MS Department of Education requirements.

---

**Grades K-3 Schedule**

- 7:35-2:40
- ELA, Math, Science and Social Studies
- Gifted Education
- Special Area Classes
- Staggered Recess Times

**Grades 4-6 Schedule**
