ATHLETIC DEPARTMENT

PATRICK RISLEY, DIRECTOR

---

Dear Whippet Golf Tournament Sponsors and Contributors,

The 16<sup>th</sup> annual Whippet Golf Tournament will be held Thursday, June 28<sup>th</sup>, 2018 at the Golf Club in North Windham, CT. While we all understand that Windham High School is going through a variety of changes, the continuation of this tournament is vital for our student-athletes! It is our intention, as Coaches for several teams, to allow our athletes to continue to have the best possible opportunity for success on and off the playing field. Your continued support of this tournament will help ensure that for all WHS athletes. This past year our Boys Soccer, Wrestling, and Outdoor Track were all league champions and as most of you know, their funding was supported by generous donations and sponsorships achieved through this program. We cannot stress enough on how important all proceeds from this tournament help benefit Windham Athletics and our student athletes.

We are eagerly looking forward to this year's tournament. Fliers detailing sponsorship, player registration information and a postage paid envelope are enclosed. By sponsoring the tournament, your business will be prominently displayed on a tee box. Platinum sponsors receive one waived individual player fee along with Windham Athletics apparel. Other sponsor options are available for those interested. Raffle prizes are another great way to advertise. During the raffle, your business will be acknowledged as the donor for that prize and listed in the program booklet. Please help us advertise by posting one of the enclosed flyers at your business!

We look forward to working with you to make this year's tournament a success. For further information, please contact Michael Haggerty or Patrick Risley, Tournament Organizers, at 860-576-1925 or 860-465-2485.
