Global Learning Opportunities for Bilingual Education

Elkin City Schools' Global Learning Opportunities for Bilingual Education (GLOBE) Dual Language Immersion program is available to rising kindergarten students. At this age, children have a tremendous ability to understand and learn a language other than their first language. Our program uses a full immersion model where all classroom instruction is delivered in Spanish. Our goal is that students become bilingual and bi-literate while gaining an appreciation for multiculturalism.

GLOBE Dual Language Immersion Program Goals:

- Students will develop high levels of proficiency in their primary language and a second language (English and Spanish).
- Students will demonstrate positive cross-cultural attitudes and behaviors.

Key Features:

- Students are held to the same high academic standards as all Elkin Elementary School students.
- Both English proficient and non-native English-speaking students are placed in the same classroom to promote bilingualism, bi-literacy, and multiculturalism.
- Students begin the program in kindergarten and continue with the same class through the sixth grade.
- Dual language opportunities will continue throughout middle and high school.
- The classroom will be composed of both native English and native Spanish speaking students.
- Classroom instruction will be delivered by a native Spanish speaking certified teacher.

Student Application and Selection:

The Elkin City Schools' GLOBE Dual Language Immersion program is elective and utilizes a lottery process for admittance. Interested families should access and complete the online application to participate in the selection lottery (a hard copy application is available upon request). **All applications must be received by Wednesday, April 15, 2020 at 5:00 p.m.** *Please be mindful that completing an application does not guarantee admittance to the program.* The selection lottery will be broadcast live on Monday, April 20, 2020 at 6:00 p.m. via Google Meet. An invitation to the virtual meeting will be email to all applicants.
