

Summer Reading 2019

for ages 3-11

Blast off into

A UNIVERSE OF STORIES

- * Visit the library to pick up your own Summer Reading log, calendar of events, and start reading.
- * Set your own goal and keep track of your minutes on the log. After 1 hour of reading, bring in your log to receive a FREE book. After each 8 hours of reading, get your photo taken for our Wall of Fame. Visit the library often this summer to pick up more books to read, attend library events, enter contests, create crafts, and more!
- * At the end of the summer, you will have used your brain to combat summer slide and put yourself on the path towards life-long learning! Tell a special grown-up how often you made it onto the Wall of Fame. Come back to the library between August 18 and 31 to collect your final prize for the summer.
