

Redesigning for Student Success

STUDENT-CENTERED SECONDARY
SCHOOLS SHOWCASE 2019

High Tech High
Courtyard by Marriott, Liberty Station
February 13-15, 2019

Continuing the conversation! Sponsored by: The Center for Secondary School
Redesign The EdExcellence Group and NEASC.

invite you to sunny San Diego for Redesigning for Student Success Student-Centered Secondary Schools Showcase

Join the conversation that began over 20 years ago with Breaking Ranks, Breaking Ranks II and Breaking Ranks in the Middle.

For nearly a decade, CSSR has provided a showcase for secondary school leaders to enhance their understanding and practice of student-centered learning.

Our San Diego showcase is your opportunity to learn, discuss and network with your peers. Better yet, extend your stay through Presidents' Day Weekend and enjoy beautiful San Diego!

This student-centered professional development showcase brings together **35 of the nation's most innovative and successful secondary schools** to share their school redesign programs and strategies. The Showcase provides administrators, school leadership teams, practitioners and students an opportunity to deeply engage with transformational school leaders and discuss critical, relevant issues regarding the secondary school redesign process!

Redesigning for Student Success will provide abundant networking opportunities for like-minded, innovative educators from across the country. Visit sites, listen to presentations, and join roundtable discussions with top education reformers. Join a network of support for redesigning your secondary school!

OUR SAN DIEGO SHOWCASE IS

YOUR OPPORTUNITY TO LEARN,

DISCUSS, AND NETWORK WITH

YOUR PEERS. EXTEND YOUR STAY

THROUGH PRESIDENTS' DAY

WEEKEND AND ENJOY BEAUTIFUL

SAN DIEGO!

Food & Beverage

The showcase includes a continental breakfast on Thursday & Friday. Other meals are at the participant's expense. Take the opportunity to experience the great coastal and ethnic cuisine of San Diego & Southern California.

Travel & Lodging

Participants are responsible for their own transportation, lodging, non-included meals and any parking costs. While there are numerous hotels within walking distance of the showcase, the Courtyard by Marriott Liberty Station offers rooms for showcase guests at a discounted price of \$189.00 per night for February 12-16. Rooms at this special rate are limited! Please reserve your rooms before December 31, 2018 to take advantage of this offer by contacting the hotel directly or booking through the Marriott group [reservations page here](#).

Showcase Locations

Registration & Payment Information

Visit <http://cssr.us/2019showcase/> to register. Registrations are accepted on a first-come, first-served basis, so get your materials in ASAP. The registration fee is \$475 per person on or before December 31, 2018, or \$525 after January 1, 2019. The registration fee for teams of four (4) or more from the same school is \$425 per person on or before December 31, 2018 or \$475 after January 1, 2019. **(Presenters must pay for school site visits, as the cost is NOT included in their fee waivers.)**

The registration fee for the optional School Site Visits on February 13, 2019, is \$69. This \$69 fee covers the visit and transportation from the Marriott.

Contact us for discounts for teams of fifteen or more from the same school district. Major credit cards are accepted as well as check or money orders payable to The Center for Secondary School Redesign. Purchase orders are not accepted. Registration confirmation will be sent via email on the date that full payment is received.

Cancellation Policy

The conference sponsors reserve the right to cancel an event due to low enrollment. If a program is cancelled, all registrants will be notified and the registration fee will be refunded. If a registered participant is unable to attend, a replacement participant may be named by notifying the conference administrator in writing or email.

Showcase Schools are Learning Communities where student voice and choice have changed the face of traditional high school education!

These schools have achieved success with diverse populations through the implementation of innovative, student-centered practices. Hear student and educator voices as they share their stories of, and strategies for, effective student-centered secondary school redesign. Their reflections on the meaningful impact that personalized learning has had in their lives will inspire and motivate you to return to your school and help even more students succeed.

Thursday Keynote

Re-Designing the Educational Experience: Design Thinking, Participatory Action Research, and Pedagogies of Hope

Shawn T. Loescher, CEO
