Monday - Community Helpers Day One

1. Morning Work - Have students write their name on sheet from last week. If you were not able to print, write your name in red.

   IB: Measuring Me - Choose a body part. Using a string, measure the body part and cut the string so it’s the same size as the body part. Walk around your house and find things that are the same size as that body part. (Example: My arm is the same size as the chair!)

2. Read a book about a police or fireman. Post on SeeSaw how they help our community.

3. Choose at least one or two of the following activities and then post pictures to SeeSaw
   A. Fire Sensory Writing - In a large ziplock bag - squirt red, orange, and yellow paint, and then seal bag closed. Then practice writing letters.
   B. Sing The Wheels on the Fire truck with Mrs. Letts. https://youtu.be/6uRiifPgAjM
   C. Create a town with roads and buildings out of blocks. Use toy cars and pretend to be a community helper driving around the town and helping people be safe.
   D. Use chalk to draw flames on you sidewalk, driveway, or on paper. Fill a water bottle with water and squirt the flames until they disappear.
   E. Practice being safe answering these questions: What is your full name? What is your parents’ name? What is your street name?
   F. Use play phone or phone resource to practice dialing phone number.
   G. Color a thank you picture for the safety helpers in your community. Send a picture of just the picture to Mrs. Letts or post on SeeSaw. I will send all our pictures in a video to our firefighters and police.

5. Complete SeeSaw Activities

6. Calendar
