Cell Phone Policy for CJH

The district permits students to possess cell phones; however, cell phones must remain turned off and put away during the instructional day, including during testing (unless in use during class as instructed by their teacher for instructional purposes). A cell phone that is in silent mode is not off. “Turned-off” means the phone is powered off. It cannot make or receive calls, text-messages, or alerts. Student in violation will be subject to the following disciplinary action:

- 1st Offense - Confiscation of phone and an after school detention
- 2nd and all future Offenses - Confiscation of the phone, after school detention, and \$15 retrieval fee

Parents/Guardians must pick the phone up from the office once it is confiscated.
