8th Grade Required Language Electives

Taking a Foreign Language course in jr. high is great preparation for high school Foreign Language courses. Studying at least 2 years of a Foreign Language is recommended and often required by colleges and universities. The Regent Scholarship requires 2 years of a foreign language in grades 9-12. Get your start by building a stronger foundation of Latin in Latin 2 with Mr. Federick or by taking Spanish 1 with Ms. Belz. Debate is also a great academic option for those who don't want to take a Foreign Language.

8th Grade Elective Options

You will have the option to take any combination of full and half year elective classes that add up to 1.5 credits. Full year classes give 1.0 credit and half year classes give 0.5 credit. Look for classes that match your interests and will help you prepare for classes you hope to take in the future. Auditions for advanced Fine Arts courses are held in May.
