Dear Parents,

Domino's Pizza® is very excited to support **The Burlington School** by helping to raise money for their much needed programs and supplies. We've developed a program that's easy to participate in, that will provide you with a wonderful meal and will help your local community. On your school's Dough Raising Night, **December 10-12, 2018**, we will **donate 20%** of your purchase back to **The Burlington School!**

Here's how it works:

1. Call your friendly Domino's Pizza® store on the designated day mentioned above to order your meal. Or order online: [www.dominos.com](http://www.dominos.com)
2. Fill out the form below.
3. Provide the completed form to the driver or to the store when receiving your order. Know more than one student? List the additional names on the back of the form.

That's it! We take care of the rest!

The class with the greatest amount of participation will receive a FREE Pizza Party! If you need more forms for family and friends in the community, please contact your child's teacher.

Our goal is to help raise a large amount of money to assist your neighborhood school. Your support
