The **Enrichment** classes will be an extremely flexible portion of the 3 week rotations. This may include leadership activities, character ed, “theme based” activities (ex.. Red Ribbon Week, Veterans Day, Christmas), resume building, life skills, budgeting, current events/issues, study hall, test taking strategies..basically whatever the teacher finds beneficial for that rotation.

Academic UIL Practice:

Once we get closer to the Academic UIL season, we will modify the rotation to allow for practice.
