Dear Parents/Guardians:

Thank you for your support and encouragement as we navigate these unplanned days. I assure you that your children's teachers are working very hard to see that the lessons they are sending are varied and meaningful. They are also spending hours reviewing the work that children return to them and in many cases commenting and encouraging. If you have questions, do not hesitate to reach out to teachers or to me. We are here to help.

I am sure these days are challenging for you, too. You, I am sure, need to encourage your children to keep a schedule, find a suitable place for them to work, answer questions and generally monitor the entire process. At the same time many of you are trying to do your own work from home and be responsive to those in your places of work. We are very aware of the important part you are playing in this endeavor. The success of it depends on each of us – on all of us.

Let us continue to pray for one another and to implore our loving God to send us courage, patience and a speedy end to this pandemic. The diocese has prepared a list of live-streamed Masses in which I encourage you to participate. It can be found at <http://www.camdendiocese.org/live-stream-mass/>.

Blessings,

***Sister Sheila***
