**ITEMS NOT ALLOWED 4th-6th GRADE**-NO permanent markers, NO paper clips, rubber bands, NO stamp pads, staples, white-out. Many items your child needs will not last throughout the school year. Please check periodically with your child to see that he/she has an ample supply of the above items, **especially** glue sticks.

## Fanning Elementary - Emergency Preparedness

Disasters can happen anywhere and at any time. The Safety Committee at Fanning Elementary School strongly encourages each student to have a personal emergency kit for the classroom in the event of an emergency, such as an earthquake or extended lockdown. The emergency kits will be stored in the classrooms and will be returned to your child at the end of the year for reuse. Your child WILL NOT be permitted to take something from the kit if he/she forgot a snack or wants a drink. The kits are for true emergencies only.

Please fill a one-gallon size storage bag with items that may be helpful in case your child has to be at school for a prolonged period of time. Suggested items are listed below for your convenience. Please print your child's name and teacher's name clearly on the bag.

Suggested items:

- ◆ 3 days emergency water (16 oz/day)
- ◆ 3-days food bars equaling a total of 2400 calories
- ◆ 1-12-hour light stick
- ◆ 1-disposable poncho
- ◆ 1-solar blanket
- ◆ 1-tissue pack
- ◆ 6-moist towelettes
- ◆ You may also want to include in the Ziploc bag a picture of your family, crayons, coloring book, cards, etc.
