March 19, 2020

In response to Governor Wolf's Executive Order Mandating Business Closures for COVID-19 Mitigation, Connellsville Area School District is not considered a "life sustaining business" and will be closed until further notice.

However we are fortunate to announce our grab and go meals will continue to be distributed until further notice. As tomorrow is Friday, 3/20/20, we encourage as many families to participate as possible. CASD would like as many individuals regardless of need to take advantage.

We are offering grab and go meals, at the following 5 locations:

- Dunbar Twp elementary school
  - Springfield Clifford N. Pritts Elementary school
  - Bullskin Township Elementary school
  - Connellsville Area High School
  - And in conjunction with our partners at the Connellsville Area Community Center on east Fairview avenue
- All Meals will be distributed from 11:00 AM to 1:00 PM daily again All Meals will be distributed from 11:00 AM to 1:00 PM

We thank our food service staff for making this opportunity possible.

- We will continue to provide future notices including any grab and go meal changes through this emergency notification phone call system and our district's website

Again, All community members seeking the most timely district initiatives should view our district's website at [CASDfalcons.org](http://CASDfalcons.org).

Thank you
