**Student Section:**

**Mustangs Of The Week:** Congratulation to Mr. Sidhu's advisory class for winning the 11th grade VAPA presentations. Their presentation was on Freddie Mercury and the rock group Queen. They are now the proud keeper of the Mustang trophy.

**Advisory SLC Attendance Recognition Contest:** Beginning on Monday, October 5, 2018 we will be launching our Advisory SLC Attendance Recognition Contest. We want to acknowledge all the advisories who work together to maintain positive attendance. Here is how it will work: Every Mester we will recognize the SLC advisory that has the highest attendance rate. The formula takes into account the number of enrolled students in your class and the number of instructional days. The Advisories with the highest attendance percentage will rotate and display a beautiful Attendance Trophy in their classroom. We will announce the advisory winners each Mester. This is your chance to work together and motivate each other to attend school on a daily basis.

**VIPIzza Student Drawing:** Arleta Mustangs, want to start off your Mondays in a yummy way? Listen to how you can do this. Every Monday, our Principal Mr. Hayes, will draw the name of a lucky VIP student and staff who has attended school every day for the previous week. They will get their very own pizza. How can you top that? Well that's up to whether you like cheese or peperoni. A whole week, for a whole pizza; will you be the VIPIzza winner?!

**Be Churro to Come to School Attendance Challenge Winners:** Congratulations to our **740 students** who met the Be Churro to Come to School Attendance Challenge.
