## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (School Year 2018-19)**

Three Rings Ranch Elementary School opened its doors in August 2002. Located on 10.52 acres in the Three Rings Ranch housing development, the school features 37 classrooms, a multipurpose room, food service building, library, staff lounge, band room, storage room, and two rooms for ASES (After-School Education & Safety). Two large grassy field areas provide students with room to play and develop their strength and gross motor skills during physical education classes and activities.

As one of seven elementary schools of Beaumont Unified School District, we serve approximately 688 students in grades TK - 5 on a traditional schedule. The school employs 25 general education teachers, two Specialized Academic Instructors for two self-contained diploma bound classroom settings serving students on an Individualized Educational Plan (IEP) with moderate needs, two Specialized Academic Instructors providing support to students with an IEP with mild disabilities in the general education classrooms, 24 support personnel, a six hour library technician, a full- and part-time Speech and Language Pathologist, and 2 full time administrators.

The school features several after school enrichment activities for various grade levels which include Friday Night Live, Early Act, Mustang Dancers, Culture Club, AVID Club, STEM/Lego Club, and Running Club.

Students are kept safe on our school grounds through the supervision of certificated and/or classified staff at all times. Yard supervisors and security are on campus daily 30 minutes prior to classroom instruction. ASES (After-School Education & Safety) is offered daily to students in grades 1st through 5th. Applications are available in the office and at the Educational Support Facility. The school supports cultural awareness on a daily basis through its diverse literature selections and daily messages from the administrators using Positive Behavior Intervention Supports.

The Three Rings Ranch Elementary team strives to cultivate an inviting school climate that promotes a passion for learning and inspires academic excellence by:

Integrating listening, speaking, reading and writing into every content area daily.

WICORizing lessons to use a variety of AVID strategies, such as: focused note-taking, collaborative word banks, and academic language frames.

Utilizing cheers, chants, and celebrations to energize, support, and uplift one another.

Embracing a growth mindset where challenges are welcomed and reflected upon and mistakes are celebrated.

Developing Learning Targets and success criteria that set high, rigorous academic expectations for each student.

Fostering discipline, respect, and leadership attributes in every student.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: 09/25/2018

Beaumont Unified held a public hearing on September 25, 2018, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom. Textbooks and other standards-aligned instructional materials are adopted according to a cycle developed by the California Department of Education, making the textbooks and standards-aligned instructional materials used in the school the most current available.

Three Rings Ranch Elementary was originally constructed in 2002 and is comprised of 37 classrooms, a multipurpose room/cafeteria, a library, a staff lounge, a computer lab, and 2 playgrounds. Recent remodeling included upgraded playground equipment and upgraded fall zones. Cleaning Process: The principal works daily with the custodial staff of 1 full-time day custodian, 1 full-time, and 1 part-time evening custodians to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review. Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Deferred Maintenance Budget: The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	50.0	46.0	47.0	48.0	48.0	50.0
<b>Mathematics (grades 3-8 and 11)</b>	36.0	38.0	33.0	34.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

**State Priority: Other Pupil Outcomes**

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

#### Opportunities for Parental Involvement (School Year 2018-19)

Three Rings Ranch Elementary benefits from its supportive parents who generously contribute their time and resources. The school has a strong base of parent volunteers who assist with Parent/Family Nights, School Site Council, Parent Teacher Association (PTA), and as classroom volunteers. Three times yearly the principal holds Coffee with the Principal which is an informal parent meeting that keeps parents up-to-date on the school's current trends and allows for parents and community members to seek information about school, district, state, and national legislation and events that effect education. Parents are also welcome to join English Language Advisory Council (ELAC) and School Site Council (SSC). The school also benefits from several community partnerships, including Sizzler, Bakers, Great Clips, Wal-Mart, McDonald's, Donut De-Lite, Del Taco, and Denny's restaurants, who contribute to our monthly academic and character-building awards. The school also sponsors Relay for Life through an annual Penny Drive, our annual Canned Food Drive for the San Geronio Pass area HELP organization, and our annual Crayon & Playdough Drive for Loma Linda's Children Hospital.

#### Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Three Rings Ranch Elementary at (951) 845-5052 or email the school secretary at dsacjalan@beaumontusd.k12.ca.us.
