FOR IMMEDIATE RELEASE  
MARCH 13, 2020

Whitehouse Independent School District has closed school and canceled all related activities during the week of March 16th - 20th due to the increased concern related to COVID-19. After thoughtful consideration and conversations with health professionals, community mitigation to help slow the transmission of the virus in our community is the primary goal for the closure. We are monitoring this public health concern hourly and will consider future decisions and communicate those to you no later than Friday, March 20th, at 5:00PM. In addition, our staff will continue to use best practices in deep cleaning our campuses and common areas to ensure the standard we expect for our students and staff on a daily basis. In Whitehouse ISD, we believe everyone has the right to a safe and caring environment.

Parents and students are encouraged to visit the [Centers for Disease Control and Prevention](#) and [NETHealth Tyler TX](#) and our website at [www.whitehouseisd.org](http://www.whitehouseisd.org) for updated information.
