

**Cranbury Township  
Board of Education & District Goals  
2018-2019**

**Board Goal**

***Continue to develop the knowledge and skills to further individual experience as a Board member.***

***Objective A:*** The Board will maintain an active open items list.

***Objective B:*** The Board will incorporate new ideas by attending or researching NJ School Boards topics. A minimum of four total will be turnkeyed to the full Board.

***Objective C:*** Each Board member will further develop his/her knowledge and skills to support equity leadership at the District level by attending one course outside of the full Board training.

**District Goals**

***Goal #1: Refine and refresh the district's strong communication efforts to ensure that the public face of the district represents the excellence and pride that so clearly resides within the walls of the Cranbury School and in the homes and hearts of its students, staff and families.***

***Objective:*** Launch of new Web site and additional communication platforms, redesign the mobile Web site experience, and create consistency across curriculum pages and teacher pages.

***Board Participation:*** The Board will receive timely updates from the Chief School Administrator and School Business Administrator. The information gathered and decisions made through this engagement will feed into the committee structure of the board to make appropriate and tangible decisions.

***Goal #2: Finalize the Long Range Facilities Plan (LRFP) while ensuring alignment to the Strategic Plan Mission, Core Values and Beliefs, and targeted goals and objectives.***

***Objective:*** Finalize the projects to be included in the Long Range Facilities Plan (LRFP) and explore various financing options for future projects.

***Board Participation:*** The Board will continue to engage with the Facilities Committee in reviewing, selecting and prioritizing projects that align to the Strategic Planning goals and educational vision.

The Board will continue to review as a Finance Committee the various financing options and timelines available to the District.

**Board Approved: 9-25-18**
