

Hello again everyone!!

I wanted to wish good luck to the 28 members of the HMS Model UN Team that will be traveling to Murfreesboro tomorrow morning to compete against schools from across Tennessee in the Model UN Conference at the Embassy Suites Conference Center. Mr. McCoy and Dr. Edwards have been working tirelessly with this incredibly talented group to prepare them for what will be one of the most exciting academic challenges of their young lives. It is my honor to get to travel with this group each year to see them compete alongside dozens of other schools in this amazing competition. Good luck to all the competitors and thank you so much to the parents that have allowed their students to participate in what I believe to be one of the most rewarding experiences we offer at HMS!

Congratulations again also to the HMS STEM Team for bringing home first place in the county-wide competition at Sycamore High School. Mr. Cooper, and this equally talented and dedicated group, will be honored tomorrow night at the BOE Meeting in Ashland City at 7:00pm!

Don't forget to mark your calendars for the HMS Family Night Event on December 11th. The chorus and bands will be performing, we will be hosting a Spaghetti Dinner and Silent Auction, and we will have a 2nd mini open house in which you can visit with teachers and see some of the great work going on across our school. Please make plans to join us that evening!

We are again very excited to bring Career Day back to HMS this year. Our school counselors are working hard to put together as diverse and wide-ranging a program as possible for our students so that they can be exposed to career opportunities across as many fields as possible. If you, or a family member or friend, is willing to join us at HMS on December 18th to present to our students, please visit the following link to sign up and you will receive more information from Ms. Bobo and Ms. West!

We are very excited to host our annual Veterans Day celebration this Friday morning beginning at 7:50am. While our format and structure for the event has changed slightly from years past, we still stick with the same goal of not only honoring and representing those that have served our country over the years in the military, but also working to instill a sense of pride and honor in our students for those individuals. If you have a family member/friend you would like to honor as part of the closing slideshow presentation on Friday, please visit the address below to submit your entry to Mr. Cooper
