March 20, 2020

Dear Beaumont USD Parents/Guardians:

I hope this message finds you and your families well. As we continue to navigate our way through this unprecedented time, we want to remind you to focus on your safety, health, your families and to remember that our Beaumont Unified School District family is missing our more than 11,000 students!

On March 17, the Riverside County Public Health Officer extended school closures through April 30, 2020, due to the Coronavirus (COVID-19) health emergency. This closure includes all extra-curricular activities, sports, after school programs, and district-sponsored events. Schools will not open for any purpose during this time.

Last night, Governor Gavin Newsom ordered a statewide Stay at Home Order. It is important to note that this order excludes those providing meal services to our students. Our Child Nutrition Service Workers have worked incredibly hard to distribute nearly 20,000 meals to students this first week alone, and they will continue to serve meals through spring break (March 23-27), and through April 30th. I can't even begin to express how proud I am of this team, and our small number of "essential" staff working in the District who are providing services, per the guidelines issued by public health officials, as well as state and federal authorities.

To support our students, Beaumont Unified is providing Online Learning Enrichment Resources on our Beaumont USD website for students to review and enrich knowledge and skills learned this year. Our Instructional Leadership Team is consistently enhancing our online platform and will be throughout this school closure. Students and families are not required to use these resources but are welcome to do so.

We understand COVID-19 is a concern for many of our families during this time. We appreciate your support and cooperation. We will continue to keep you informed of any updates regarding the steps we are taking during this time. Please also visit our website www.beaumontusd.us for information.

Continue to take care of each other.

Respectfully,

Terrence Davis
Superintendent
