JUNE 1, 2019

Principal Message Mr. Michael Ota

It has been a wonderful 4 years serving the families and students of The Biola Community as your Principal. Thank you to the many parents that have had the trust in me for educating your child in academics, activities, and community service. Again, my decision to work at Central High School East campus was not because I disliked my current position. I started at the high school level and this opportunity to work at the high school level is to continue the Central Unified Core Belief that every child can succeed. Together we have raised the participation and performance for our Biola-Pershing Elementary students. Every morning our students announce the morning bulletin with, "At Biola-Pershing Elementary School, Glacier Point Middle School, Central High School, and a Career Ready Graduate". I truly believe that we will continue to make sure that your child finishes what they have started here at Biola-Pershing Elementary School. Please continue to stay active with your children's education, continue to read with them, support their ELA and Math, and stay active with evening events with the school. Schools are not built by the Principal, they are built by the people of the community. Thank you for allowing me to be part of your child and your family life these past four years. I will continue to support your child's academic at the high school and prepare them for graduation. With sincere gratitude. Mr. Ota.

Academic Award

Please make sure to take time out of your busy day and see your child to be honored with end of the year Academic Awards

Monday June 10th at 9:00AM will be the awards for grade 3rd-6th. We will honor Principal Award, Honor Roll, Merit Honor, Perfect Attendance, Reading, Math, PE, English Learners, and our first annual BP Award for Academic, Activities, and Volunteer Service for their community.

Tuesday June 11th at 2:00PM will be the awards for grades 1st and 2nd. We will honor outstanding Readers and Math, Perfect Attendance, and EL Students,

Wednesday June 12th we will honor our State Preschool program.

Thursday June 13th at 9:00AM Perez and 10:00AM Gonzales we will honor our Kindergarten Students. They will be honored for their site word achievement, math, and Perfect Attendance.

Thank You

Thank you to all the parents who came out to participate in our PTA events and school wide events. These events provided an increase participation with your children's school events.

Thank you PTA for providing Island Water Park, free year-books for the 6th Grade class, sponsored the Science Olympiad with shirts and lunch, and sponsored our first Annual Kindergarten Pumpkin Patch.

Thank you

Intervention

Next Year we will continue our Reading Lab for the school year. Mrs Escandon will continue to be our Reading Intervention Teacher. She will continue to work with students and teachers to provide extra Tier 2 instruction for the school. We are excited with the growth for our students who are working to read on grade level.

Title I

Thank you for your time to be a member on our parent/teacher committee. Both committees provided input and approval for the 2019-20 SPSA Plan

School Site Council:

Veronica Gonzales
