

**LOCKER APPLICATION**  
**2018-2019**

Lockers are provided to students enrolled at Point Loma High School (PLHS) by the PLHS Foundation and Alumni Association. Having access to a locker on campus is a privilege that is not afforded to students at many other high schools campuses. It is therefore expected that students take responsibility for the care and protection of school lockers in order to keep this privilege available to all students. To that end, the following rules will govern locker use at PLHS:

1. Lockers are, and remain, the property of PLHS.
2. Lockers and the contents therein are subject to search at the discretion of the school administration and school police.
3. Students and parents understand that PLHS is not responsible for personal or school property that is stored in a campus locker.
4. Students are responsible for keeping the locker clean both inside and outside, and reporting any needed repairs to the office.
5. Students may not paint or mark on or in the lockers. They may not change the physical appearance of the lockers. Use of stickers, tape, or anything else is strictly prohibited.
6. Lockers will be assigned to a single student and may not be shared with anyone else. **DO NOT GIVE OUT YOUR COMBINATION NUMBER!**
7. Combination locks will be provided with each locker. Students may not use their own locks and all non-school locks will be removed. Write your locker combination in your planner on your birthday page for quick reference.
8. Students will be charged for any lost combination lock at the rate of \$5.00 per lost lock. Repeat loss of locks will cause you to lose your locker privilege.
9. Students/parents are responsible for any and all damage that occurs to a locker and its contents, regardless of circumstances.
10. For any violation of the above rules or other discipline-related causes, locker use may be terminated at the discretion of the school administration.
11. **Locker maintenance donation is \$10.00** (all checks should be made payable to "Point Loma High School").

**LOCKER DISTRIBUTION**

Continuing students keep the same locker assignments while attending PLHS. Incoming students receive locker assignments during MAD Days in August. Once school begins, see Lisa Cooper in the library before or after school or during lunch time for locker business. Locker business will not be conducted during class time with exception to new enrolling students.

-----

We have read the above conditions for the use of a locker at PLHS and we agree to be bound by its provisions, limitations, and regulations.
