Parent Resource Center

Our Parent Resource Center in the Media Center is open when school is open from 8:30 am-3:00 pm. Parents can take advantage of Internet access, E-mail, Parent Portal and many other options on the computers in the Media Center. There are other resources like flash cards, maps and games that parents can check out for two-week intervals. We can also provide some materials for research projects (colored paper, bulletin board paper, etc.).

PBIS/CATS Pride

This year we have adopted something a little different for Positive Behavior Interventions and Support (PBIS). We still have our CATS, which stands for C—Cooperate A—Acts with an appropriate attitude T—Take responsibility and S—Show respect. We have introduced a renewed house system. As a school we are a Pride, as Cats are in Prides. Within the Pride, we are broken up into 4 houses which represent our school colors! You child received a wristband that represents his/her house color earlier this school year: white house, red house, blue house, and gray house. We will be having house parties and celebrations for the houses with most points, school spirit, etc. Also, be on the lookout for an opportunity to purchase a house T-Shirt in the next couple of weeks! WE ARE #CATSPRIDE!
