Project READ Site of Distinction

Waite Middle School is a community committed to developing **character, leadership** and **academic excellence** in ALL students.

iPad/Electronic Device Policy

As outlined in our Waite Middle School agendas, we have developed an iPad and/or electronic device discipline plan that helps to ensure a supportive educational environment that minimizes disruptions on campus. Items that create any disruption during instructional time or throughout the day will be confiscated and returned accordingly with consequences that follow:

1st Offense: Conference will be held with the student by teacher/administrator and warning will be issued to remind students of proper technology use. Entry will be logged into PowerSchool.

2nd Offense: Student will be issued detention and phone call will be made to parent/guardian and logged into PowerSchool.

3rd Offense: Student will be issued a Saturday school and parent/guardian conference will be held with student. Ipad will be confiscated for the day and up to a week with alternative options available. Offense will be logged into PowerSchool.

4th Offense: Student will be issued an alternative student activity, Saturday school, and parent/guardian conference. Violation will be logged into PowerSchool.

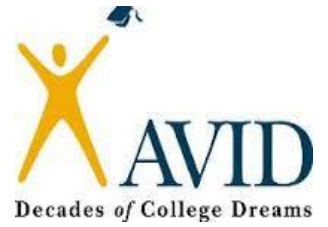

5th Offense: Student will be issued an alternative option with parent/guardian conference loss of privilege. Behavior contract to outline next steps to defiance of school will be issued and logged into PowerSchool.
