

11/14/18

**ASE
Community Council Notes**

In Attendance: Lane Marshall, Dustin Rodeback, Ken Castagno, Mayra Salas, & Leila Stewart

Agenda was followed

SAGE – Discussed low scores and what improvements are being made. SAGE will no longer exist, RISE will take its place. Teachers are able to use practice tests through RISE.

Tests that have been eliminated or replaced are: PACE, SFAR, PANORAMA ED. SURVERY

Lane reported on the **Demographics** – We are a Title 1 school, with low socio-economic status.

Students are receiving education in all areas listed except digital citizenship.

Critical needs are in: Reading, Math & Science

Working on comprehension and vocabulary to boost all areas of concern.

Counselor's Corner: Mr. Castagno reported he works with individuals, groups, and classrooms. He presents lessons in classrooms on a weekly basis which help students deal with emotions and actions. He explained the process in which children are referred to him. He explained his role in the school.

Questions: What are we doing about reading? Many things, reading takes place within the classrooms, before school, and at home.

Have we ever had an activity that involved parents with reading? No, but we have some coming up this year through our Family Nights.

Motion to adjourn: Lane, 2nd by Ken
