

Tuffree Instrumental Music Program

2018/19 Band

We are excited to have you and your family in the Tuffree Instrumental Music Program!

The program is open to all students, and no student desiring to participate will be turned away for any reason. Band consists of two seasons, and all students participate in both. Marching Season runs from September through November; Concert Season starts in December and runs until the end of the year.

The following are paid at registration:

Participation Donation: \$100

Quite simply, this donation makes our program possible. The high-quality experience our students deserve requires much more than the school district funds.

- Off-site performances (buses and instrument truck)
- Music and supplies
- Group lesson coaches
- Instrument repair
- Instrument replacement
- Uniform maintenance
- Insurance, office supplies, etc.
- Food/beverages for special events
... and much more

Your donation makes all this possible.

To keep costs as low as possible, these items are ordered by TIMB and distributed to students.
