 2018-2019 Plan Year Rates effective October, 2018-September, 2019

EMPLOYEE NAME: \_\_\_\_\_ SITE: \_\_\_\_\_ SSN: XXX-XX-\_\_\_\_\_ EMP ID#: \_\_\_\_\_

**For Full Time Classified Employees:** Pursuant to the negotiated settlement for classified non-management employees, I am requesting that I be enrolled in the medical and dental programs checked below. In the event that the premiums exceed the current district contribution, you are authorized and directed to deduct, from my earnings each month, sufficient money to cover any additional cost above the stated maximum district contribution. Please note: Delta Dental is **mandatory** for all full-time employees, except those whose spouses are employed by the district and have already subscribed. As a full time employee, the District will cover all premiums up to the dollar amount that equals the cost of Delta Dental plus 2014-15 Kaiser Family coverage (\$1,875.95).

**For Part-Time Classified Employees:** According to the California School Employees Association, Washington Township Chapter #61, and the New Haven Unified School District Contract for Classified Employees, part-time employees with regular assignments of three hours or more may elect to participate in the medical insurance program. The cost of the medical program is prorated. The District contribution will not exceed the proportional maximum contribution of full-time employees. As a part-time employee, the District will cover a percentage of your premiums. Should you choose to enroll in a plan whose cost exceeds the district contribution, the difference between the cost of that plan and the District allocation will be deducted from your pay warrant. A chart outlining the District's contribution by hours worked has been included on the reverse side of the form.

**PART-TIME CLASSIFIED EMPLOYEES**

According to the California Schools Employees' Association, Washington Township Chapter #61 and the New Haven Unified School District Contract for Classified Employees, part-time employees with regular assignments of three hours or more may elect to participate in the medical insurance program. The cost of the medical program is prorated. The District contribution will not exceed the proportional maximum contribution of full-time employees.

For part-time employees not working 12 months, i.e. 10 and 11 month employees, the full cost for a year's insurance coverage will be deducted in ten months, September-June, making monthly deductions higher than the published monthly premium to cover the months of July and August when the employees are not working. Contact the Payroll Department for information regarding the specific deduction amounts for those 10 months.

**SECTION 125 PLAN**

Employees that pay a portion or all of their medical premiums can elect to pay their premiums through the Section 125 plan. Employees can only opt in and out of the Section 125 plan during open enrollment. **Please note that participation in the Section 125 plan reduces Social Security and Medicare taxes as well as federal and state taxes.**

**How does the 125 plan work?**

When you elect to participate in the 125 plan, the premiums you pay for your medical and/or dental plan are deducted before payroll taxes are applied to your earnings. Since you are paying taxes on a smaller amount of earnings, you pay less in taxes.

**If I sign up for the 125 plan can I still use my premiums as a deduction on my income taxes?**

No, since you are not paying tax on the earnings used to pay your premiums, you cannot deduct them from your income taxes.

**If I sign up for the 125 plan, can I drop my coverage/switch my coverage/make changes to my coverage anytime?**

If you elect the 125 plan you will only be able to make changes to your plan selections during open enrollment or within 30 days of a qualifying event. If you have a qualifying event, as defined by the IRS, you can make changes to your medical plan within 30 days of the qualifying event, whether or not you participate in the Section 125 plan. At the time of the qualifying event, you also have the ability to opt in or out of the Section 125 plan. If the qualifying event is a spouse's loss of medical coverage, written confirmation must be provided detailing the effective date of the loss of coverage.

**What is a qualifying event?**

A qualifying event is a change in the participating employee's family status such as: marriage, divorce, birth or adoption of a child, death of a spouse or dependent, spouse's change of employer, etc.

**REQUIRED DOCUMENTS (to be provided to NHUSD)**

**If adding a dependant child:** A copy of the child's passport, birth certificate and/or adoption certificate showing the relationship of the child to the employee and the child's date of birth. If the child is a legal ward of the employee, a copy of court documents is required.

**If adding a spouse:** a copy of the marriage certificate.

**If adding a domestic partner:** a copy of the California Declaration of Domestic Partnership.

The parties to this agreement, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury and instead are accepting the use of arbitration.
