CISD CORONAVIRUS INFORMATION

Parents,

While as a district we are closed for this coming week, there is much work being done to ensure that we continue to take care of the needs of our students. Over the coming days, I will be sharing with you information about specific initiatives that will address academics, technology, our facilities, and the overall situation here in our district.

This evening, I would like to address what we are doing to provide meals for our students. Starting tomorrow, March 16, from 11:30 a.m. to 1:00 p.m., we will begin offering free meals for current Comal ISD students Monday-Friday throughout the duration of campus closures at the following locations:

- Bill Brown Elementary
- Clear Springs Elementary
- Freiheit Elementary
- Goodwin Frazier Elementary
- Kinder Ranch Elementary
- Mountain Valley Elementary
- Morningside Elementary
- Rebecca Creek Elementary
- Specht Elementary
- Startzville Elementary

Starting Tuesday, March 17, we will also start providing breakfast service at the same locations from 7:00 to 8:30 a.m. Distribution will take place at the front of the campus, allowing parents to drive up and pick up the meals without getting out of their car.

Please note that if you currently have a modified meal plan for your child, you can call the Comal ISD Food Service Department at 830-221-2051 to arrange an alternate meal for pickup.

As I mentioned, I will be communicating with you throughout this week about our initiatives to meet our students' needs – so I will go ahead and apologize now for all the messages to come. Please remember to bookmark our Covid-19 webpage for the latest information and status updates.
