

March 13, 2020

Dear Pleasant Ridge Families & Community:

Pleasant Ridge Union School District, in conjunction with the Nevada County Superintendent of Schools and all county school districts, has made the difficult decision to close schools beginning Monday, March 16 through Friday, April 10.

Please see the attached Nevada County Public Schools Advisory. Additional information will be sent to all families on Monday, March 16, 2020 with pick-up times for distance learning materials and meal options that will begin Wednesday, March 18, 2020.

It is critical for you to have all contact information up-to-date with your school office including phone numbers and email addresses. These will be our primary sources of communication with all families. Please continue to check site/district websites for all updates. In addition, we will utilize our [Pleasant Ridge Union School District Facebook](https://www.facebook.com/PleasantRidgeUSD/) page (<https://www.facebook.com/PleasantRidgeUSD/>) and our [Twitter account](https://twitter.com/ridge_pleasant) (https://twitter.com/ridge_pleasant) as ways to disseminate necessary information. You may contact me directly at any time at 530-268-2800.

Sincerely,

Rusty S. Clark
Superintendent
Pleasant Ridge Union School District
