

This is a communication flyer printed for the purpose of promoting awareness of the Dads' Club, a non-profit group of dads who provide support for and assistance to Saint Rita Catholic School, its organizations, and individuals.

A message from the Dads' Club President

As the dad of a child at St. Rita, you are automatically a member of the Dads' Club. The Dads' Club provides the opportunity to meet other St. Rita dads in a social environment and to get involved with supporting St. Rita School in a number of beneficial ways.

Hopefully, you will be inspired to become involved in one of the various projects that the Dads' Club takes on this year. Or, you might prefer just to get to know a few more Dads and join in some of our social activities. There are plenty of opportunities for you to be involved. Thank you, in advance, for your help.

Cash Hicks
