

2018 - 2019 School Bus Routes

Check your child's bus route carefully. Some changes have been made to the routes and times. If you have any questions, please contact Mark Isbrecht, Director of Transportation, at 269-463-0720. *All students should be at the bus stop 5 minutes BEFORE scheduled time. Times listed are the times at each of the intersections, NOT at your child's specific stop.*

Please Note: Parents are to designate only one pickup point and only one drop off point. Infrequent and/or irregular pick up and drop off requests cannot be accommodated.
