20. #GoDutch

Remember!

Our Socioeconomic Peer Districts receive \$9438/student/year from the State of PA.

St. Marys Area receives \$5936/student/year from the State of PA.

A difference of \$3502/student/year.

In comparison to our Socioeconomic Peers, we have a total shortfall of over \$7 million annually.

We cannot afford to continue to let Harrisburg get away with this!
