

Nampa School District No. 131  
Nutrition Services  
Bid Award Objection Procedures

Any participating bidder may object to a bid award, pursuant to the requirements of Title 67, Chapter 28, Idaho Code.

A bidder who wishes to object a bid award must do so within seven (7) calendar days of the posting of the award. This objection should be submitted, in writing, to the District's coordinating party as listed in the publicly posted bid documents specifying bid items, procedures, and other requirements. The objection must set forth the express reason(s) for the objection and why the award has been made in error. Upon receipt of a proper objection, the governing party for the bid in question will stay its award decision and any procurement under the award until it has addressed the particular objection(s) submitted.

The governing party shall review its decision and will determine to (1) affirm the award, (2) modify the award, or (3) repeat the bid process, setting aside its award, and will set forth its reasons therefor. After completion of the review process, the District may proceed as it deems to be in the best interest of the District.

For the purposes of bid objections, the governing party shall be whatever person or group is duly empowered and qualified to make an award, under procurement laws and guidelines set forth by the State of Idaho for political subdivision purchasing and Nampa School District purchasing rules.
