Dear Students and Families;

It is with pride and excitement that I introduce myself as Sequoia's new principal. I have worked at the Hart district as a science teacher and as an assistant principal prior to being named principal. I have a passion for serving students and teachers and look forward to meeting each one of you during registration and working with you throughout the school year.

On Thursday, August 16th, students will be returning to Sequoia School from summer vacation.

During the check-in, students and parents will return all necessary school forms included in this mailing, receive course schedules for the fall semester, and students will have their picture taken and receive school identification cards. Enclosed please find various Sequoia School and Wm. S. Hart Union High School District forms that you need to fill out and sign where indicated.
