	Mr. Darga introduced Tiffany Keith to explain why Plante Moran would like to speak to the whole board rather than the Financial Committee alone. Mr. Paul Bryant and Ms. Holly Stefanski are the representatives from Plante Moran. They explained the process of audits in our district. In June, they do a thorough report/testing before the actual audit begins in August. They gather materials which include financial statements needed for the reports. The audit is conducted every year in August. When they have finished the audit, a presentation to the board will take place. A letter is sent to Mr. Darga that contains what they have found, provide recommendations and if the actual budget is correct. Mr. Darga will be the liaison between the board and Plante Moran. Please direct any questions to him, and they will answer the questions as soon as possible. If there is a red flag at any time, Plante Moran will contact Mr. Darga, who will then discuss it with the board. Discussion concerning the previous mishandling of the budget occurred. One piece that was missing, is constant communication on a regular basis. Mr. Darga stated that he and Ms. Keith have several conversations regarding the budget on a regular basis.
