Principal's Message

Wicklund Elementary School has been serving the students and families of the new town of Mountain House since its doors opened in August of 2004. Wicklund Elementary School is part of the Lammersville Elementary School District located west of Tracy, California. The Lammersville Elementary School District was founded over 130 years ago. Since its opening, Wicklund Elementary has established itself as a premier academic institution. The school established an outstanding API score of 825 in state testing during its first year. This achievement has ranked Wicklund Elementary as one of the top schools in San Joaquin County.

In addition to a rigorous academic program, Wicklund Elementary School embraces high expectations of student behavior and celebrates diversity. The district, staff, community members, parents, and students are very proud of the accomplishments of this brand new school. In reviewing this School Accountability Report Card, I am sure you will be able to see the commitment all stake holders have in continuing to make this a high achieving, student-first school.

Mission Statement

The Mission of Wicklund Elementary School, as a collaborative partnership of families, community members and staff, is to graduate all students with the knowledge and ability to make excellent choices, to act responsibly, to eventually enter the workforce in a profession of their choice, and to continue lifelong learning. This Mission is accomplished by providing a rigorous educational program based on effective teaching practices and on a standards-based curriculum delivered by an innovative staff that are committed to assisting all students in realizing their goals and aspirations.

Community & School Profile

Lammersville Elementary School District is located in the northwest corner of San Joaquin County in the city of Tracy. Wicklund Elementary School is located three miles north of Tracy in the town of Mountain House, California. The state-of-the-art school is truly at the center of the community and is surrounded by Wicklund Village enabling students to walk to and from the campus. The school is adjacent to a beautiful neighborhood park which is enjoyed by all community members.

Lammersville Elementary School District consists of Lammersville Elementary School (K-8th), Wicklund Elementary School (K-8th), and Bethany Elementary School (K-8th). During the 2008-09 school year, Wicklund Elementary School served 650 students in grades kindergarten through eight, on a traditional calendar system. Student body demographics are illustrated in the table.

Student Enrollment by Ethnic Group

2008-09

	Percentage
African American	12.0%
American Indian	0.5%
Asian	24.6%
Caucasian	25.1%
Filipino	15.4%
Hispanic or Latino	21.1%
Pacific Islander	0.8%
Multiple or No Response	0.6%

Discipline & Climate for Learning

Students at Wicklund Elementary School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy, and acceptance of others. The school's discipline philosophy promotes a safe school, a warm, friendly classroom environment, and demonstrates that good discipline is a solid foundation on which to build an effective school.

The goal of Wicklund Elementary School's discipline program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior. Parents and students are informed of discipline policies at the beginning of each school year through the student handbook, and during the year at parent-teacher conferences, Back-to-School Night, and the district's newsletter. The program's design establishes guidelines to provide students with a meaningful, productive, and enjoyable school experience. Appropriate behavior is encouraged through praise and motivational incentives, as well as assertive discipline and conflict resolution tools to further develop personal growth.

The Suspensions and Expulsions table illustrates total cases for the school and district at all grade levels, as well as the percentage of total enrollment (number of suspensions divided by total enrollment). Suspensions and expulsions are expressed in terms of total infractions, not total number of students, as some students may have been suspended on multiple occasions. Expulsions occur only when required by law or when all other alternatives have been exhausted.

Suspensions & Expulsions						
	School			District		
	06-07	07-08	08-09	06-07	07-08	08-09
Suspensions	5	42	16	49	118	88
Suspension Rate	0.6%	7.1%	2.5%	4.6%	7.9%	5.1%
Expulsions	0	0	0	0	1	0
Expulsion Rate	0.0%	0.0%	0.0%	0.0%	0.1%	0.0%

Student Recognition

Certificates, ribbons, prizes, and various other awards are given to students at assemblies and special presentations throughout the school year. Activities, honors, and programs include: Student of the Month, academic and citizenship honors, CJSF recognition, DARE program, Presidential Fitness Awards, and perfect attendance.

Homework

Homework is a fundamental part of the learning process that helps to develop basic academic and study skills as well as promote student responsibility and self-discipline. Homework is assigned on a regular basis for all grade levels and major subject areas. Each teacher determines the appropriate measure of homework for his or her students. Students are expected to complete their homework assignments in a timely manner and to the best of their ability. Parents are encouraged to provide a supportive environment for homework activities and are responsible for reviewing homework assignments with their child. Each student is provided with a student planner or homework folder by the Parents' Organization Wicklund School Foundation, to help organize their assignments.

Extracurricular Activities

Students are encouraged to participate in the school's additional academic and extracurricular activities that are an integral part of the educational program. These schoolwide and classroom incentives promote positive attitudes, encourage achievement, and aid in the prevention of behavioral problems. Extracurricular activities, clubs, and programs include: after-school sports, ASB Student Council, Wicklund Newspaper/Writing Club, California Junior Scholastic Federation, and intramural sports program.

School Attendance & Enrollment

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. More importantly, attendance is critical to academic achievement and regular daily attendance is a priority at Wicklund Elementary School. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. Independent study is available for students that require extended leaves from school. The school monitors student attendance very closely and reports excess unexcused absences to designated authorities.

In the event of habitual truancy, students may be referred to Lammersville Elementary School District's School Attendance Review Board (SARB), which is composed of parents, representatives from the school district and members of the community. The SARB is utilized if students have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school, and district counseling are not effective.

The chart illustrates the trend in enrollment for the last three years.

Enrollment Trend by Grade Level

	2006-07	2007-08	2008-09
K	96	81	104
1st	95	65	80
2nd	99	70	64
3rd	96	73	70
4th	90	66	66
5th	92	54	70
6th	72	74	55
7th	73	50	78
8th	57	56	63

Class Size

Wicklund Elementary School maintained a schoolwide average class size of 22.1 students and a pupil-to-teacher ratio of 19.4:1 for the 2008-09 school year. The table indicates the average class size per grade level and subject area, as well as the number of classes offered in reference to their enrollment.

Class Size Distribution

	Average Class Size			Classrooms Containing:								
				1-20 Students			21-32 Students			33+ Students		
	07	08	09	07	08	09	07	08	09	07	08	09
K	20	16	21	5	5	3	-	-	2	-	-	-

4-8	24	-	-	-	-	-	1	-	-	-	-	-

Curriculum Development

All curriculum development at Wicklund Elementary School revolves around the California State Content Standards and Frameworks. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels. The writing and implementation of Wicklund Elementary School's curriculum is an ongoing process. The curriculum is evaluated by student performance and assessment scores, and is adjusted to meet the needs of students.

Curriculum changes in the 2008-09 school year included: new Math textbook adoption, updated language arts curriculum, and standardized English Learner reclassification policy districtwide.

Instructional Materials

Wicklund Elementary School District held a public hearing on August 26th, 2009, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. The State of California*.

All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district are aligned with the California State Content Standards and Frameworks and have been approved by the Board of Education. Textbook adoptions are uniform throughout the Wicklund Elementary School District. A committee consisting of administrators and teachers establishes selection criteria based on state standards, reviews instructional materials on the state list, and makes recommendations to the Board of Trustees for final adoption. New math textbooks were implemented during the 2009-10 school year and the district is currently piloting language arts textbooks, Holt and Glencoe ELA, for 6th-8th grade students. The most recent textbook adoptions in core curriculum areas are shown in the chart.

District-Adopted Textbooks					
Grade Levels	Subject	Publisher	Adoption Year	Sufficient	% Lacking
K-5	English/ Language Arts	Houghton Mifflin	2009	Yes	0.0%
6th-8th	English/ Language Arts	McDougal Littell	2002	Yes	0.0%
K-5	History/Social Studies	McGraw-Hill	2007	Yes	0.0%
6th-8th	History/Social Studies	Teacher's Curriculum Institute/ History Alive	2007	Yes	0.0%
K-5	Mathematics	Harcourt	2009	Yes	0.0%
6th-8th	Mathematics	Holt	2009	Yes	0.0%
3rd-5th	Science	FOSS	2008	Yes	0.0%
K-2	Science	Houghton Mifflin	2008	Yes	0.0%
6th-8th	Science	Teacher's Curriculum Institute/ History Alive	2008	Yes	0.0%

Library Information

The library, staffed by a full-time library aide, is stocked with thousands of books that are available for students to check out. Classrooms visit the library on a regular basis and students are encouraged to utilize the library's resources before-and-after school, and during their breaks.

Computer Resources

Computer skills and concepts integrated throughout the standard curriculum prepare students for technological growth and opportunities. Each classroom at Wicklund Elementary School has a minimum of one Internet-accessible computer. There is also one computer lab on campus containing thirty computers. Students receive computer-assisted instruction on a regular schedule.

Computer Resources	Computer Resources		
	06-07	07-08	08-09
Computers	71	66	31
Students per computer	10.8	8.9	21.0
Classrooms connected to Internet	40	33	32

Additional Internet Access & Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the Tracy branch of the Stockton-San Joaquin County Public Library, which contains numerous computer workstations. Please call toll free (866) 805-READ for hours of operation and additional information.

Counseling & Support Staff

In addition to academics, the staff at Wicklund Elementary School strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students. The school values the importance of on-site counseling and has procedures in place to ensure that students receive the services they need. The Speech/Language Specialist is shared with the other schools in the district. The table indicates the resources available at Wicklund Elementary School.

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent
Bilingual Aide	1	0.8
Instructional Aides	2	1.6
Library Aide	1	1.0
Psychologist	1	As Needed
Resource Specialist Program (RSP) Teacher	2	2.0
Special Education Aides	3	2.4
Speech/Language Aide	1	0.8
Speech/Language Specialist	1	0.6

A Gifted And Talented Education (GATE) program is offered to students who qualify. A differentiated curriculum is provided in all content areas which is accelerated and interdisciplinary.

Wicklund Elementary School offers English Language Learner (ELL) students additional classroom help with instructional aides and Cross-cultural Language Academic Development (CLAD) certified teachers during our Direct Instruction Group (DIG) time. Instructional strategies focus on academic English and accessing the core curriculum.

Wicklund Elementary School offers several programs for students with special needs, including on-site SDC, RSP and Speech programs. Students needing more restrictive classroom settings are referred to county SELPA operated programs.

Data Sources

Data within the SARC was provided by Lammersville Elementary School District, retrieved from the 2008-09 SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a dynamic search engine, maintained by the California Department of Education (CDE), that provides reports for accountability. It includes Academic Performance (API), Adequate Yearly Progress (AYP), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Student Testing & Achievement

Various measures of student achievement are used as an ongoing part of the quality instructional program at Wicklund Elementary School. These measure students' actual progress as well as the effectiveness of the instructional program. Additional site assessments for Wicklund Elementary School include English Language Learners Assessment, Title I and Special Education assessments, and numerous assessments tied to the curriculum.

California Standards Test

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards). The combined percentage of students scoring at the Proficient and Advanced levels in Language Arts, Math, and Science, for the most recent three-year period, is shown.

California Standards Test (CST)									
Subject	School			District			State		
	2007	2008	2009	2007	2008	2009	2007	2008	2009
English/Language Arts	60	62	68	60	63	68	43	46	50
Mathematics	53	61	66	53	61	63	40	43	46
Science	41	60	60	42	65	63	38	46	50
History/Social Science	53	47	59	44	48	58	33	36	41

California Standards Test (CST)

Students with Disabilities	37	35	36	*
Migrant Education	*	*	*	*

*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

Physical Fitness

In the spring of each year, Wicklund Elementary School is required by the State to administer a physical fitness test to all students in fifth and seventh grade. The physical fitness test measures each student's ability to perform fitness tasks in six major areas: Aerobic Capacity, Body Composition, Abdominal Strength, Trunk Extension Strength, Upper Body Strength, and Flexibility. Students are provided several options to perform tasks in each area. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone" (HFZ). During the 2008-09 school year, 57.1% of fifth grade and 40.0% of seventh grade students at Wicklund Elementary School met or exceeded state fitness standards in all six fitness areas.

Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet.

Statewide Rank: Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

Similar Schools Rank: Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

API School Results				
	06-07	07-08	08-09	2009 API Growth Score
Statewide Rank	8	8	7	
Similar Schools Rank	8	8	4

Actual Growth	-	-	-	-

Federal Intervention Program

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

Adequate Yearly Progress

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- Percent proficient on the state's standards-based assessments in ELA and Mathematics.
- API as an additional indicator

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school and district performance are displayed in the AYP chart.

Federal Intervention Programs

Graduation Rate	N/A		N/A	

National Assessment of Educational Progress

The National Assessment of Educational Progress (NAEP) is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in mathematics, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and mathematics are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities (SD) and English language learners (ELL) is reported based on three levels (identified, excluded, and assessed). Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the National Assessment of Educational Progress Web page at <http://nces.ed.gov/nationsreportcard/>.

The first table displays the National Assessment of Educational Progress Results for reading (2007) and mathematics (2009) for grades four and eight by scale score and achievement level.

The second table displays the participation rates on the National Assessment of Educational Progress for reading (2007) and mathematics (2009) by students with disabilities and/or English language learners for grades four and eight.

NOTE: Only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. The NAEP reflects state test results and is not reflective of either the LEA or the individual school.

National Assessment of Educational Progress					
Reading and Mathematics Results for Grades 4 & 8					
By Performance Level - All Students					
	Average Scale Score		% at Each Achievement Level

Math 2009 Grade 8	85	96	78	92	

Substitute Teachers

Generally, the district does not experience any problems finding qualified substitute teachers. On rare occasions when a substitute teacher is not available for an absent teacher, credentialed staff or administrators assume the role of the substitute.

Staff Development

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. For the past three years, the district has regularly offered three staff development "buyback" days annually, where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, effective school practices and methodologies.

Parent & Community Involvement

Parents and the community are very supportive of the educational program at Wicklund Elementary School. Opportunities for involvement and active participation include: School Site Council, Wicklund School Foundation, and other Ad-Hoc school committees. Parents are also welcome to volunteer in the classroom, for school events, and as drivers to various school-sponsored activities.

Contact Information

Parents who wish to participate in Wicklund Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (209) 836-7200, or visit the district's website at <http://www.lammersvilleschooldistrict.net/>

School Facilities & Safety

Wicklund Elementary School facilities were completed in 2004. There are 40 permanent classrooms, a library, computer lab, staff room, a multipurpose room, and three playgrounds for primary and upper-grade students.

The table shows the results of the most recent school facilities inspection provided by the district. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Safety

The safety of students and staff is a primary concern at Wicklund Elementary School. The School Site Safety Plan is revised annually in the fall by staff and the School Site Council. Key elements of the plan focus on student and staff awareness of emergency drills and procedures. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring students and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year.

Students are supervised throughout the day by administration, instructional staff, and parent volunteers. The designated drop off and pick up area is the front and back of the school. Visitors to the campus must register at the office and receive identification badges that must be displayed at all times.

Cleaning Process

The principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

Maintenance & Repair

District maintenance staff ensures that work orders and the repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. For the 2009-10 school year the district allocated \$52,500 for the deferred maintenance program. This represents 0.46% of the district's general fund budget. For a complete listing of the district's deferred maintenance projects, please contact the district office.

Teacher Assignment

Lammersville Elementary School District recruits and employs only the most qualified credentialed teachers. For the 2008-09 school year, Wicklund Elementary School had 29 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines.

School Facility Conditions				
Date of Last Inspection: 03/03/2009

Working Outside Subject	0	0	0	0

Teacher misassignments reflect the number of placements within a school for which the certificated employee in the teaching or services position (including positions that involve teaching English Learners) does not hold a legally recognized certificate or credential. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year. For the 2009-10 school year, the most current data are reported.

Misassignments/Vacancies			
	07-08	08-09	09-10
Misassignments of Teachers of English Learners	0	0	0
Misassignments of Teachers (other)	0	0	0
Total Misassignments of Teachers	0	0	0
Vacant Teacher Positions	0	0	0

Highly Qualified Teachers

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified" no later than the end of the 2006-07 school year. Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

NCLB Compliant Teachers		
	% of Core Academic Courses Taught By NCLB Compliant Teachers	% of Core Academic Courses Taught By Non-NCLB Compliant Teachers
School	97.2%	2.8%
District	97.9%	2.1%
High-Poverty Schools in District	0.0%	0.0%
Low-Poverty Schools in District	97.9%	2.1%

Teacher & Administrative Salaries as a Percentage of Total Budget

The table displays district salaries for teachers, principals, and the superintendent, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of the districts budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at www.ed-data.k12.ca.us.

Average Salary Information Teachers - Principal - Superintendent 2007-08		
	District	State
Beginning Teachers	\$38,883	\$41,031
Mid-Range Teachers	\$58,981	\$63,366
Highest Teachers	\$72,711	\$80,596
Elementary School Principals	\$93,289	\$100,937
Middle School Principals	-	\$105,066
High School Principals	-	\$106,534
Superintendent	\$115,000	\$147,438
Salaries as a Percentage of Total Budget		
Teacher Salaries	44.0%	41.0%
Administrative Salaries	8.0%	6.0%

School Site Teacher Salaries

State law requires comparative salary and budget information to be reported to the general public. At the time this report was published, the most recent salary comparison data from the State of California was for the 2007-08 school year. For comparison purposes, the California Department of Education has provided average salary data from elementary school districts having between 1,000 and 4,999 average daily attendance statewide. The table illustrates the average teacher salary at the school and compares it to the average teacher salaries at the district and state levels.
