Thank you to the many who have submitted your applications for tuition assistance. Some have submitted applications but have not sent requested documentation. Please complete the application by sending the requested documentation. You may use your most recent tax returns.

During Christmas break the McAllister Company completed major repairs on the school boiler. We have money in reserve which allowed this repair to take place without an impact on the current budget.

Faculty Meeting is next Wednesday, January 9, 2019. There will be a 12:05 dismissal that day.

Blessings,

Sister Sheila
