April 19, 2019

Dear RBUSD Parent/Community Member:

The Redondo Beach Unified School District is in the process of adopting new textbooks and supplementary materials for middle school English/language arts for the 2019-2020 school year. The adoption committees were formed in the spring of the 2017-18 school year and include teachers, parents, and administrators from both middle schools in the school district.

The Board of Education will be conducting a public hearing on these materials at their May 14th meeting and any member of the public may address the board regarding this topic at that time.

On Tuesday, May 28, 2019, the middle school ELA adoption committee is recommending to the Board of Education that the McGraw-Hill Study Sync program be adopted for students in grades 6-8. Upon approval of this recommendation, new ELA textbooks and supplementary materials will be ordered for use in classrooms this September.

The purpose of this letter is to inform you that the recommended materials are available for you to review at the district office. If you wish to view the materials, please call in advance so the specific materials will be ready for your arrival.

If you have any questions, please feel free to call the Educational Services office at 310.937.1221.

Sincerely,

Annette V. Alpern

Deputy Superintendent of Educational Services
