

**LUCIA MAR UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION**

Date: September 3, 2019
To: Andy Stenson, Superintendent
From: ^{HD} Hillery E. Dixon, Assistant Superintendent, Curriculum and Instruction
Subject: Approval/Ratification, Math and AP Government Textbook Adoption for High Schools

Background:

The Lucia Mar Unified School District Curriculum Department worked closely throughout the last year with high school Pre-Calculus and AP Government teachers. We conducted a formal adoption process with the teachers, including piloting and public review. Unfortunately, we did not seek board approval for these texts prior to the summer recess. We have purchased the standard aligned texts ahead of board approval in order to ensure that students have access to their instructional materials from the first day of school.

High School (Arroyo Grande High School and Nipomo High School)

Pre-Calculus	Cengage Pre-Calculus with Limits 4th ed. (2017) by Larson/Battaglia...quantity 204
AP Government	Bedford, Freeman & Worth American Government: Stories of a Nation: For the AP (2018) by Bedford/St. Martin's...quantity of 324

Recommendation:

It is recommended the Board approve the adoption of the listed texts for the Pre-Calculus and AP Government courses at Arroyo Grande and Nipomo High Schools.

Fiscal Impact/Support of Board Goals:

Fiscal Impact: \$84,683.00

Board Goal Reference: #1- Student Achievement
