

COLLEGEWOOD

Elementary School

Dear Collegewood Families,

Thank you so much for joining us for our annual Costume Parade. There is something magical about watching a child make memories—their excitement is contagious! We have all adjusted to the time change and the crisp mornings are a great reminder that fall is upon us.

This month our construction has begun! Thanks to the generosity of our community and the passing of Measure WV, we will be getting a two story building with fourteen classrooms. This will allow us to remove aging portables and provide a state of the art learning space for students. Although the construction process has been a new process to navigate, our team is thrilled to watch this take place! We will be having an official groundbreaking ceremony on Wednesday, November 6th at 4 PM. Please feel free to join us!

We will close the month with Fall Break. There will be no school from Monday, November 25th – Friday November 29th. We hope everyone has a great time making memories with the people they love. Have a wonderful month!

Fondlly,

Mary Wendland, Ed.D.

Report Cards

Report Cards will go home on Friday, November 15th. This is a great opportunity to talk with your child about how they are doing in school. At school, we emphasize the importance of acknowledging areas that we need to improve in and setting goals. Ask your child what areas they feel confident in and how they plan to improve in areas that may be a little more challenging. Our kids are working hard and we are all very proud of their accomplishments!
