

SUMMER READING LIST

2018 for students entering

THIRD GRADE

CARTERET PUBLIC SCHOOLS

Summer provides many opportunities for parents and children to enjoy unforgettable books together. Children are encouraged to read any book they choose. The following list of authors is merely a suggestion of people who write books, which may engross the accomplished reader. The third graders may want to share some of the things they have learned when reading these books. Once your child has read his/her book of their choice have him/her design their own book cover. Be sure to include title, author, main idea, and picture. If your child chooses to complete the project, please bring completed project on the first day of school.
