Agenda

Welcome and selection of Parent Co-Chair

Michelle Eden was selected as Parent Co-Chair.

Madeline Richter

Review Purpose and Role of HEAC

The role was reviewed as written in the SHAC Guide- SHACs are in charge of promoting school health. One of the main roles of any SHAC is to make school health recommendations to the school board. SHACs work with school district and state agency personnel in many ways. They work together to pick health programs, locate health services, create food service programs, share federal and state funds, and in policy making.

Madeline Richter

Review 5/23/17 Meeting Minutes

Mrs. Richter reviewed and read the minutes.

Madeline Richter

Influenza Vaccinations and Prognosis

The new employee vaccine program provided by Columbus Pharmacy was discussed. 153 total vaccines were administered to employees with 90 Influenza, 25 Hep B, 35 Tdap, and 3 Pneumovax. The shortage on shingles vaccine was also discussed and the committee was informed the Pharmacy would notify me once it was available to employees.

Madeline Richter

Food Service Update

Mrs Woytek submitted an email report with no new food service concerns. Mr Leopold discussed the Meal Appeal University event that occurred during the summer. He reported the presentation and quality of food was very good.

Madeline Richter

Wellness Plan

The current wellness plan was reviewed and discussed. All current goals and objectives agreed to be relevant. S. Leopold recommended adding an objective to allow days where nutritional guidelines don't have to be met- Christmas Party, Field Day etc. Committee will research and finalize at January meeting. (Goal 3, Obj 2)

Madeline Richter

Health Compliance Statement

Health Compliance statement was provided for members to review. All agreed that everything is relevant and accurate pending the date for a meeting in January to be added.

Madeline Richter

Fitnessgram Update

Mrs Leopold provided an example for a 1st and 5th grader's results and discussed the new reporting forms used for Fitnessgram. She also mentioned the results automatically print in Spanish for the students that are Spanish speaking. Mrs Leopold also updated the committee on the status of testing. It was also discussed that all campuses perform the Fitnessgram test- HS is only required to test the students in PE and athletics.

Julie Leopold

Campus Red Ribbon

Reports from JH (R. Hanak) and HS (R. Heffley) were submitted via email. JH decorated the campus with Red Ribbon Bows and had red bows on teacher's doors. They also had daily themes. HS also had theme days and awarded gift cards to the best dressed each day. They also had PSA announcements. Austin Lanier spoke on each campus about making good choices and staying drug free. Mrs Leopold discussed the banners outside CES as well as mentioned the dress up days and speaker.

Julie Leopold, Madeline Richter

Other Business

Mrs Tilotta asked for an update regarding the security vestibules. The committee agreed they are being utilized appropriately and having good results on all campuses.

Future Agenda Items

Meeting date for January was recommended by Mrs Berger and everyone agreed. Once a date is decided the committee members will be notified.
