

## **SUPERVISION OF STUDENTS**

**JLIA**

In order to provide for the safety and welfare of students, the Seaford Board of Education believes that the supervision of students is a mandatory responsibility of the district's staff.

### **Standards**

1. The Board expects that each staff member will act as a reasonable and prudent adult.
2. The Board expects all students to be supervised during the regular student day at times consistent with those in "School Day".
3. The Board expects all students to be supervised while they are engaged in school-sponsored co-curricular and extracurricular activities.
4. The Board expects each staff member who has responsibility for a field trip/excursion to provide for at least the minimum number of adults to supervise students as outlined in "Field Trips and Excursions".
5. The Board expects that police protection shall be provided for those school activities which in the judgment of the principal, or his/her designee, require such assistance.
