## Johnny Appleseed Festival

Leaves are beginning to fall, skies are starting to gray, football on Friday and JOHNNY APPLESEED on Saturday and Sunday!! That's right, Johnny Appleseed Festival is on its way. We are still in need of volunteers to man our booth on Saturday, September 15 and Sunday, September 16. Smaller children are able to wash apples and the older students can slice up apples. We are also in need of adults to man the caramel drizzle spoon and hand it to customers. This is a great opportunity to have some of those volunteer hours taken care of and to spend time with other LSUS families and staff. We are a community and everyone's help is needed. Sign-up sheets are in the office and will be available all week in the lobby.

### A Few Reminders...

- Each family is responsible for volunteering 10 hours per child this year! Please see above for a great way to fulfill most of them!
- Please do not park in the Fire Lane. If you are leaving your vehicle unattended to run something in or pick-up a child, you need to park in the Parking Lot.
- You MUST have a number to pick up a child. We will give out as many hanging tags as you request, but we will not allow children to go with a driver who does not present a LSUS carline tag. Please keep the number in the window until you drive away for the safety of all our children.

### Chapel Prayers...

For our family, safe travels and those who need help.

## Reminders continued...

- Phone calls after school made by students will not be permitted. Students must make arrangements and have adequate permission for rides before the school day begins. If a child is not picked up by 3:30pm, they will go to extended care until an adult arrives.
- On hot days, you may send plain, unflavored water from home with your student in a water bottle that will not leak or spill.

### Band and String Students

Band students - lessons every Monday and Thursday  
Violin students - lessons every Wednesday and Friday

Please remember to bring your instrument and book with you on those days and **drop them off in the chapel** on your way to class in the mornings. Thanks!

### Sports Spotlight

The varsity girls' volleyball team played three games last Saturday. They successfully won their first game against St. John Kendallville, but unfortunately lost their last two games against St. Paul's and Woodburn. The girls were happy to win their first game of the season. They were pleased with their effort especially since only six players showed up!

### Plant Show Results!

Thank you so much to those who brought in plants today! The results are in!

*My Favorite Plants* awards go to Jovan and Emlia Antoine!  
*Ribbon* awards to go Conor Collentine, NaTalya Bennett and Painthu Hein.

### Meet Miss White, 5th Grade

Hello! My name is Danielle White, and I am a recent graduate of Concordia University Chicago with a B.S. in Elementary Education and Middle School Literacy Education with a minor in Theology. I grew up in Altamont, Illinois where I attended a Lutheran school from kindergarten through 8th grade. I am thrilled to be in Fort Wayne and begin my teaching career at LSUS! Before coming to Fort Wayne, I co-taught classes in inner-city Chicago for multiple grades and student taught 4th and 5th grades at Bethany Lutheran School in Naperville, Illinois. My favorite subject to teach is reading, especially novels! Outside of the classroom, my interests include hiking, crafting, and watching Blackhawks hockey.
