### ***Security***

To enter the school, you will need to push the button underneath the SRO sign at the far left of the entrance that will ring the front desk. Please be prepared to show your photo ID to enter the building. If your student is late to school, please remind them that they will need to ring the bell to enter the building. Thank you for your cooperation and partnership in keeping our students and staff safe.

### ***Student Responsibility***

Please encourage student responsibility and encourage them to make sure they have all items needed to be successful each day (homework, money, PE clothes, band instruments, etc.) before leaving for school. Students will not be called out of class to pick-up homework or other dropped off items.

### ***Cell Phones***

In an effort to provide a continuous learning environment for all students, we ask that you refrain from texting with your children during the school day. Cellphones are for instructional use only. The Administration or Nurse will notify parents in the event of an emergency or sickness.

Our mission at Stewarts Creek Middle School is for students to achieve and exceed the state standards in an atmosphere that supports differentiated instructional practices, develops self-discipline, and allows students to grow socially and intellectually.
