Principal's Corner

Dear Parents and Guardians:

The school year is going by very quickly! October 5, 2018 marks the end of first quarter. Hopefully, everything has been going well for your child at our school. I remind you that if you should have any questions or concerns regarding your child's education, please feel free to call our school.

Trick or Treating is around the corner and while we want our keiki to have fun, I would like to remind parents to take steps to insure their child's safety. A responsible adult should accompany children while trick or treating and it would be a good idea to keep to well-lit neighborhoods and to those homes of known and trusted neighbors. Children should wear reflective clothing so that motorists are able to see them. Parents should also examine all goodies and check for tampering before children are allowed to eat anything. .

I ask for your continued support and to be a part of our vision, TOGETHER...Smarter, Better, Higher as we work together to prepare our students to be College, Career, and Life Ready.

With warmest aloha,

Eleanor Gonsalves, Principal

Parent/Teacher Conference Reminder – School Ends Earlier

Parent/Teacher conferences will be held beginning on October 22 and ending on October 29. Please remember that school will end at 1:15 p.m. on M,T,Th,F. School will end at 1:00 on Wednesday. Please refer to the letter that was sent home last month. Parents are asked to pick up their children by 1:30 on their non-parent/teacher conference days as supervision will not be available. Students should be picked up by 1:15 on Wednesdays. On-campus parking on front lawn will be available after 1:30 p.m.

Campus Beautification Day

It's time for our annual Campus Beautification Day on October 5, 2018. This event not only serves to beautify our campus but helps us to comply with the National Pollutant Discharge Elimination System and Clean Water Act requirements.

Better Together

It's hard to believe that the first quarter is already coming to an end. So far this year I have been able to go into all the classrooms and teach the students about our Royal School 5Rs (Respect, Responsibility, Resourcefulness, Relationships, and Resiliency). All the students should now have a basic understanding of what these Rs look like and what kind of positive behavior we expect to see here at Royal. This first quarter I also started doing classroom lessons on bullying prevention, with more lessons to come.

October 29 to November 2, we will be celebrating Red Ribbon Week. Red Ribbon Week is about showing commitment to being drug free. Later this month a flyer will go home informing you of how your child can participate. This is always a fun week for our students.

Also this month I will be sending out a volunteer request to get presenters for our Royal School Career Day on Friday, March 8, 2019. If you might be interested in sharing your career with some of our students, please complete a career day volunteer request form. You can also contact me for more information. Thank you in advance for helping to make our career day a success.

If you have any questions or need assistance, please feel free to come see me or give me a call at 587-4510.

Eric Malina, Counselor

Message from our Vice Principal

Aloha! As we move into the fall break, I want to continue to thank all of our parents and families for helping our students to be respectful and responsible. I have enjoyed working with and getting to know our students at Royal during this first quarter. I have had the opportunity to walk through many classrooms, and have seen some amazing lessons given by our wonderful teaching staff. As a reminder to help our students stay focused, toys and games, including cards, should stay at home and not be brought out at school. We love it when we see our students fully engaged in the lessons our teachers work hard to prepare! Again, thank you so much for doing your part in helping our students be prepared to learn each day!
